

A large outdoor dining area at dusk. A massive brown patio umbrella covers a central section of the space. Numerous people are seated at wooden tables, some eating and some talking. In the background, a red van is parked, and a building with large windows is visible. The sky is a pale, overcast blue. A tall pole on the right is decorated with strings of colorful nautical signal flags. The overall atmosphere is social and relaxed.

# 1. BOOK A BENCH

## ARE YOU A LARGER GROUP?

Let's book you a bench!

We'll have a table in our Greenhouse ready when you arrive. Sit down, inhale the fresh, informal market air and focus on what's truly important in life: laugh, have a toast for life and enjoy each other's company!

Use the bench as your hangout; go explore the market, fall for the street food kitchens many temptations and have a bite – this time, you'll always have a bench to return to.

Combine the bench and “Here's to you – toast at Reffen”.  
You won't regret!

## 2. BOOK AN AREA

### THE BOTH-AND-SOLUTION

Do you want slightly more privacy? We'll find you an area!

At Reffen, we love parties – are you celebrating an anniversary, a birthday or cheering for love, for everyday life or for your co-workers? Do it with us!

We'll book you an area; customise the setting, so you can have your own breathing space – and at the same time have Reffen at your feet; ready to be explored.

That's why we call it the both and-solution: You get to enjoy the pulsating energy of Reffen – and at the same time have an area that's yours only for the time being.

# 5. BUTLERSERVICE

## SIT DOWN WITH REFFEN

As the icing on the cake, Reffen makes a dream come true for those of you, who have always imagined being able to snap your fingers and summon your very own “James”. We arrange a table for you and your group, you choose from the menu beforehand and put together your ideal meal – and Reffen’s butlers will be fresh and alert; ready to serve you.

You might prefer a unique banquet on benches – or maybe fancy a tasty, standing reception with countless of finger foods. Butler Service will let those of you who prefer to jump the queue instead of joining it do so with an honest heart – and at the same time it benefits those who appreciate a perfectly customized menu. And who doesn’t?

A list of the street food kitchens that offer Butler Service – and what dishes they have on their menu – are attached to this text. Remember that as a minimum 10 dishes must be ordered from each kitchen. Once in a while our kitchens run into a max capacity – so give us a call and we’ll help you to tailor the perfect menu for your company.

The menu you put together must be ordered 14 days before we’ll see you at Reffen – this will help our butlers and street food kitchen be prepared to their fingertips. We recommend a butler per 12. Guests – and the price is DKK 255.- (ex VAT). A fair priced butler, right?

### **The Small Print**

Guests, that faint because they haven’t had enough to drink? Those, our butlers can’t save, and that’s why it’s obligatory for your company to purchase drinks to your dinner. Our street food kitchens are quality conscious, and they work as fast as they can. Are your dishes delayed nonetheless? We hope you’ll enjoy the atmosphere and your company, while we get your orders ready in a jiffy.

As a minimum you must make use of Butler Service for 4 hours – but obviously, we hope you will want to stay on your own for much longer. Stay with us until the sun sets!
